**Rules governing applications**

4. (1) A separate application shall be made for each licence type (cultivation, manufacturing, transport, research, import and export) on the prescribed form in the Medicinal Cannabis Industry (Licensing) Regulations.

(2) An applicant shall not be granted multiple licences of the same class.

(3) An application shall specify the acreage of premises at which activities proposed to be authorised by the licence will be carried out.

(4) An application must be made for the maximum acreage in each class.

**Evaluation of an application for a licence**

5. (1) When evaluating an application for a licence, the Medicinal Cannabis Authority (“the Authority”) shall consider the following criteria -

- (a) the personal integrity of each shareholder, director, senior officer and manager;
- (b) the shareholder’s ability to finance, the proposed cannabis operation; and
- (c) the expertise of the applicant in the proposed cannabis operation;

(2) An applicant shall satisfactorily address the above criteria as requisite preliminary matters, in order to provide a level of assurance to the Authority relative to the potential for the successful operation of a cannabis enterprise in the state of Saint Vincent and the Grenadines.

(3) The Authority may take into consideration any substantive non-cannabis investment in Saint Vincent and the Grenadines currently operated by an applicant, in the favourable consideration of an application.

6. (1) In addition to the provisions of Part II of the First Schedule to the Act, an applicant shall comply with the checklist provided below in order to facilitate the processing of the application -

**L i c e n s e
